Introduction

What is the Carers' Card?

Brighton & Hove Carers' Card is for people providing regular unpaid help or support to someone who:

- is frail or ill
- has a physical disability
- has a learning disability
- has a mental health condition
- has dementia

The Carers' Card offers discounts on a range of activities across the city to help you to look after your own health and wellbeing because if you look after someone, it's important to look after yourself too.

Covid-19 restrictions

Before visiting a Carers' Card venue we strongly recommend checking with them to find out latest Covid guidelines and to ensure the offer is still running in the same way. All the offers listed in the guide have a website and telephone number and many have social media pages to check for the most up to date information, and don't forget things can change quite quickly.
