

5

good reasons

to register for a

Compass Card WSx

now!

PTO

1

Filling in a Compass Registration Form is easy. It's nowhere near as complicated as a DLA or PIP form and you don't usually need to send back-up evidence. Grab a cuppa and start yours now!

2

You can sign up for our free Compass Day at Weald and Downland Living Museum on Tuesday 27 August 2019 and take the whole family - and there are more free Compass Days coming soon.

3

Summer is here and there are around 300 venues across Sussex where you can get Compass Card discounts.

4

If you provide us with an email address, you'll get our e-newsletter which is jam-packed with ticket deals, leisure ideas and freebies.

5

Providing your information by filling in a Compass Registration Form means you're represented on the powerful database that underpins the Compass Card. The collated, anonymised data helps local services plan and has a positive impact on service delivery. "You can't argue with the numbers; it's meant we can tailor our product and provide a service that directly reflects the needs of our community", says Sally Honey of South Downs Leisure, after Compass data helped the organisation plan its Short Breaks programme for children and young people with additional needs.

Compass Card WSx: Discounted fun, leisure and sport for 0 to 25 year olds with special educational needs and disabilities.

For more info, visit www.compasscard.org.uk message us on Facebook (Amaze Compass Card), email compass@amazesussex.org.uk or call 0300 123 9186.
