

If you like going out and having fun...

You're going to LOVE this!

Compass Card B&H is a free discount card that makes it cheaper to do fun things like going to see a show, going tenpin bowling or going for a swim. It's for children and young people up to their 25th birthday who have special educational needs or disabilities.

Compass Card B&H is run by Brighton charity Amaze and funded by Brighton & Hove City Council. Apply for your card now!

How do I get Compass Card B&H?

You - or your parent carer - will need to provide information about you by filling in a 'Compass Registration Form'. The information is held on 'Compass B&H', the 'disability register' for Brighton and Hove. Amaze looks after Compass B&H and makes sure your personal information is kept private.

To get a Compass Card, you'll need to be living or going to school in Brighton & Hove or being 'looked after' by the council's Social Services department. And you will need to have a disability or special educational need that affects your life each day.

Find out more by visiting www.compasscard.org.uk. You can also email Amaze at compass@amazesussex.org.uk or call the Amaze helpline on 01273 772289. We're also on Facebook @AmazeCompassCard, Twitter @AmazeCompass and Instagram @AmazeCompassCard

Why should I get Compass Card B&H?

- It's free.
- You should have more fun!
- It will save you money
- Amaze can tell you (or your parent carer) about freebies and other stuff that might interest you

What Compass Card B&H offers are there?

You can find out about all our current offers by visiting the offers page on the Compass Card website at

www.compasscard.org.uk/compass-card-offers/

“I get in for free swimming, I save money. I go all the time.” (Compass Card holder)

“I wouldn’t have joined the snooker club if I hadn’t had a Compass Card.” (Compass Card holder)

“I just show it and they say yes you can come in.” (Compass Card holder)

And we’ve got a great free app you can use!

Do you want to see all the Compass Card offers on your Android smartphone or iPhone? If you download our free app, you can find everything you need while you are on the move. Just search for ‘Compass Card’ in Google Play or in the Apple App Store.
